

Greater Longview Soccer Association

This policy serves as a tool to retain coaches.
It only applies to the head coaches of recreational teams.

1. A North Texas Soccer-eligible adult head coach that coaches two (2) consecutive seasons (Fall/Spring) will qualify to receive a coupon for a child to play for free if the coach continues as the head coach. A maximum of two qualifying children per team will be allowed to play for free.
2. If a season is missed, then the coach will have to restart the process.
3. If a coach receives a red card or two yellow cards in one game, then the coach will have to restart the process.
4. At the beginning of the first season that a coach qualifies, a coupon will be included with the player's registration form. This coupon must be turned in with the player's registration form instead of money. The coupon does not cover late fees or the Dinomites program fee.
5. Coaches without a child on the team they coach will be mailed their coupon when registration forms are mailed.

Revised June 2018
