

## Uniform Guideline Policy

Please no gold jerseys. We do not want to have any referee conflicts.

Approved colors that are close to gold, but avoid referee conflicts, are neon yellow or light gold (wheat).

Coaches who show up to play in gold jerseys, excluding the approved colors above, will be:

- a. play with pennies for game scheduled
- b. be required to obtain alternate jerseys for the remainder of the season
- c. coach will be fined \$50.00

Teams are not allowed alcohol or tobacco company logos and/or names as advertisements on uniforms. Coaches are not allowed to wear matching jerseys with alcohol or tobacco company logos.

If you are ordering uniforms from out of state or country, you need to be sure they arrive before your first game.

Any team showing up with non-regulation jerseys after week one (1) week will be required to have matching T-shirts with printed numbers on them or they will forfeit the game.

Out-of-town teams playing in our tournaments will be exempt from this policy. Out-of-town teams playing regular games against our teams will have to abide by is policy.

No players' names are allowed on jerseys in age groups U10 and below. Any team showing up with players' names on their jerseys in age groups U10 and below will forfeit the game. **The GLSA Board strongly discourages parents of a team purchasing matching jerseys or T-shirts with BOTH the player's name and number used on them. This is for the safety of the player!**
